

MiCS Meeting

Minorities in Computer Science

You wouldn't drive a car without changing its oil...

Your computer needs care too.

Computer Enhancement Workshop

Join us and learn some basic computer maintenance skills.

Open up and learn how to:

- Clean your case
- Install new hard drives
- Add more RAM
- Other simple tips to keep your system running in top condition

Or join us and help us teach others.

Meeting
Thursday, September 18th, 2008
5:00 PM
CS Conference Room
